

**Fourth Grade**

**March 4, 2010**

Hi Everyone,

The week coming is always one of the more interesting weeks of our school year, it being Lutheran Schools Week. Special activities have been planned by our Student Council for the entire school to enjoy as well as activities that are more age specific. Look to your Gator Bytes email as well as special fliers that will be coming this week.

I do want to highlight one activity which will be held next Tuesday morning. At that time grades 3-8 will walk to Marcos de Niza High School to see the dress rehearsal of their spring musical. If one or two of you would like to walk with us, let me know soon. We'll leave at about 8:45 and should be back around 11:45. Permission slips went home Tuesday of this week. The cost is one dollar.

Another event you may want to highlight is our pancake breakfast next Wednesday morning from 7:00 - 8:30. Stop in for a couple of pancakes, sausage, juice, and coffee with our child. If you can, stay for chapel which follows at approximately 8:40.

Since a variety of activities will be taking place, we won't have spelling

We'll be wishing Luke Butler, Madison Deutsch, and Ben Chesley best wishes for their competition at the area Lutheran Geography/Spelling/Math competition on Friday at Valley Lutheran High School. Luke is on our geography team, and Madison and Ben are our class representatives in the 4th Grade spelling bee.

Next week marks the end of the third quarter. The following week is spring break.

Next week:

Monday - Math test (rescheduled from this Friday).

Tuesday - Spanish test

Thursday - Memory quiz

Friday - Religion test

Blessings!

Tom
