## Camp Policies

**Clothing:** Campers should dress to be active every day! Students must wear sneakers or other rubber soled, toe-covering shoes that are strapped at the heel and toe. Campers should use a backpack or bag for their belongings, Please label all personal items.

**Sun Safety:** To remain “sun safe,” we ask that all students please arrive at camp in appropriate apparel. This includes clothing that covers shoulders, hats (wide brimmed preferable) and sunscreen with 30SPF or higher. To protect against dehydration, all campers will be asked to take water breaks every 20 minutes outside. Gethsemane Lutheran School receives daily emails from the Environmental Protection Agency stating the current UV index for the day. GLS will opt for indoor activities whenever practical when the UV index is rated as “11 + Extreme.”

We do not offer a hot lunch program in the summer. Your child needs to bring a cold lunch every day in an insulated lunch box with blue ice or ice pack to keep the items cold. We are unable to microwave food or store lunch boxes in refrigerators. Each week, we will offer a pizza day and the cost is \$3.00 cash per child. If you would like your child to receive pizza, dessert and a drink, please pay for it in the office by 9:00 a.m., the morning before. Please make sure that your camper brings a water bottle each day, labeled with their name.

**Sign In/Out Procedures:** We are licensed by the Arizona Department of Health Services and it is a state requirement that each child be signed in and out by a parent or guardian. At GLS we use an app called Brightwheel for check ins, student information, and updates throughout the day. Each parent/guardian will have a code to check out their child. The designated person needs to be listed on the emergency blue card or a written note needs to be left in the office. Children are not allowed to sign themselves in or out.

**Field Trips:** All children must be 4 years old and have a signed permission slip, signed field trip and bus rules form, wear their camp tee shirt and closed toe shoes. There are no refunds, transfers or credits for missed field trips.

**Transportation:** Gethsemane School has (2) 15 passenger vans , are used to transport enrolled children for field trip purposes during our summer camp program.

**Discipline:** No student will be allowed to jeopardize the health, safety, or learning environment of fellow students or staff members. Appropriate action will be taken if a student needs to be disciplined for interfering with others rights. Because each child is different, discipline is handled on an individual basis. If the need should occur, we would separate the child for a “think time,” in a designated area. The staff reserves the right to eliminate a child from a field trip or other activity based on disciplinary reasons.

**Fire Drills:** We conduct fire drills once a month for the safety of our children and staff.

**Emergency Procedures:** In emergency situations, a parent/guardian will be notified immediately. In the event that a parent cannot be reached, the emergency numbers listed on the registration form will be used. Following the directions on the emergency blue card form, medical assistance will be called as necessary. This includes calling the paramedics. Other medical assistance will be obtained if necessary. Please notify the office immediately if the emergency numbers provided at the time of registration change.

**Medications:** All medication must be dropped off in the school office and medical consent form must be completed before any medication can be dispensed to any child. Prescription medication must be in the original container with the RX number listed on it. No child should carry any type of medicine on them or have it stored in their backpacks. Exceptions will be made for emergency medication, such as Epi- Pens. Please contact office for arrangements.
